

## Temporary Barricades

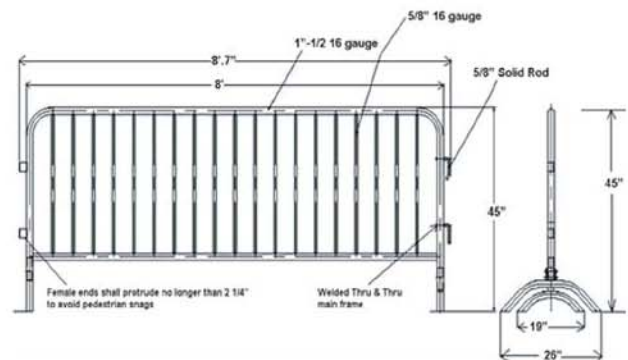

### For crowd and perimeter control for any type of event.

Honey Bucket Barricades are used weekly at some of the largest events on the West Coast. They enclose street festivals, protect VIP areas, and keep lines orderly. From carnivals and outdoor concerts, to inaugurations and celebrations of every kind. Honey Bucket gets the job done.

Our professional crew will deliver, set up and pick-up at the end of your event. If you need assistance on determining the quantity necessary for your event please call our event management team. They will be happy to help you.
